
May 4th

All About Herbs!

We will not only learn how to grow herbs, but we will learn about all of the amazing things you can do with them! From cooking with herbs to making tea with herbs. Registration is \$5 and includes a herb to take home with you. Free for 18 and under.

July 6th

Lasagna Gardening For The Fall Garden

We've all heard about Lasagna Gardens but what is so great about them? Join us for the basics of Lasagna Gardening and how you can create one in your own backyard.

August 3rd

Cut Flower Production

Learn from an expert on growing flowers, arranging them, and everything else you could possibly want to know about cut flower production.

September 7th

Growing Great Garlic

Garlic is one of those plants that goes in just about every dish imaginable. Mexican, Italian, Indian, you name it, it's probably in there! Learn about what varieties to plant and how to prepare your soil for success. Registration is \$5 and you will leave with garlic seed to take home and plant. Ages 18 and under are free.

October 5th

Shiitake Mushroom Logs

We are going to step out of the garden and into the woods. Learn how to grow shiitake mushrooms by going through the entire process - from what logs to look for, how to inoculate the logs, and more! Registration is \$15 and includes an inoculated log to take home.

Gardener's Toolbox

All classes will be held at 5:00pm at the Whitley County Cooperative Extension Office at 4275 N Highway 25W, Williamsburg, KY 40769.
