

Whitley County Scholarship Application

Martin-Gatton
College of Agriculture,
Food and Environment

Dear Scholarship Applicant,

Thank you for your interest in our 4-H summer camp. In order to be considered for the scholarship please submit the following:

- Completed camper registration form
- Attached Scholarship Application
- A letter of recommendation from the camper's teacher, principal, coach, minister, or another adult not related to your camper. This letter should address the character of your 4-H'er, their involvement in school or participation in other activities, and how he/she would benefit from attending camp.

All scholarships will be reviewed by an unbiased committee and all information will be kept confidential. Scholarships awarded will cover the full cost of camp in the amount of \$300, but does not cover any additional costs including purchases made by the camper or any damages that may occur.

If an in-person interview is requested and you are not able to attend, do you give permission for your child to be recorded by school and 4-H personnel to answer interview questions? Yes No

If my child is chosen for a scholarship, I agree to attend the mandatory orientation at the 4-H office. I understand that being a "no-show" for camp orientation will disqualify my child from the scholarship and from attending camp.
